

Drive Traffic to your business as a participating Merchant

with **American Saver** – An annual membership offering **tremendous savings** to consumers via app

American Saver is an annual membership savings program that consumers purchase online, at retail locations, from schools and other non-profit organizations selling memberships as a fundraiser in their communities. Members can use their American Saver mobile app and/or a printed coupon from AmericanSaver.com at participating businesses during their membership year. Merchants choose the special offer for their business, which is valid for one year. American Saver has merchants in a variety of categories: Dining and Food, Entertainment and Recreation, Movies and Shopping, Travel and more.

It's simple... and it's a **WIN-WIN-WIN!**

- **Merchants WIN** as they increase sales and get return business from American Saver members, without having to incur large ad expenses.
- **Consumers WIN** as they save money by shopping, dining and enjoying entertainment and recreation at participating businesses.
- **Schools & Non-profits WIN** as they raise money for their fundraisers by selling the American Saver memberships

Your business will be in **GOOD COMPANY!** American Saver members have access to **over 300,000 discounts coast to coast . . .** with more national brands and local businesses added **every day!**

- **American Saver is different than other discount programs** because American Saver members can use their membership throughout the entire year to save at participating merchants. No cards to punch or bulky coupon books to carry around.
- **We advertise for you!** Your business is listed on the American Saver website with your special offer, logo, phone number, address, link to your website, plus a map showing the location your business.
- You can become a participating American Saver merchant for \$195 per year — that's **only \$3.75 per week!**
